

# Scientific organizational chart

| D-IR |  | D-IRTS |  | D-ESSP |   | D-M     |  |
|------|--|--------|--|--------|---|---------|--|
| IGG  | Geometry and Computer Graphics                   | MIV    | Models, Images and Vision                      | MaCEPV | Materials for Photovoltaic and Electronic Devices | MécaFlu | Fluid Mechanics                                |
| ---- | Networks   | AVR    | Control, Vision and Robotics                   | SMH    | Heterogeneous Systems and Microsystems            | MMB     | Multiscale Materials and Biomechanics          |
| ICPS | Scientific and Parallel Computing                | TRIO   | Remote Sensing, Radiometry and Optical Imaging | IPP    | Photonics Instrumentation and Processes           | GCE     | Civil Engineering and Energetics               |
| SDC  | Data Science and Knowledge                       | IMIS   | Integrative Multimodal Imaging in Health       |        |   | CSIP    | Design Information Systems Inventive Processes |
| CSTB | Complex Systems and Translational Bioinformatics |        |  |        |   |         |  |
| MIV  | Models, Images and Vision                        |        |  |        |   |         |  |
